## Looking Good, Guys

David Boone and Howie Paras can "Back That Thang Up" while "Just Friends" Tito Santos-Silva, John Santos-Silva, and James Wilder are sounding real good.

## Let It All Hang Out

Zack Rooney and Phil Fraser said it better than we could have ourselves "Crazy". And their fans loved it as they cheered them on, like they needed encouragement.

## Backstage Boys!

Couldn't do it without you guys, Isaiah Shorrock, Matt Weston, and Steve Weller, "Great Lights!"

## "Ice Ice Baby"

These babies were just too hot, Sunny Cabrera and Catherine Cubellis had some great moves.

## Girls! Girls! Girls!

Matt Jones was begging for those points! That and a few great moves may just get him and Nate Bohacs those girls too.

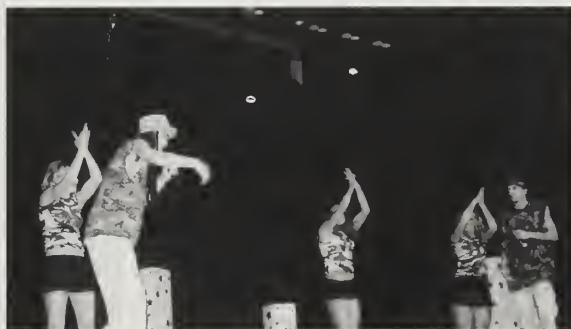

# Say What?

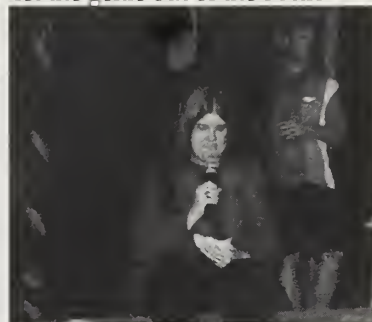

## "SAY WHAT? KARAOKE" GREAT SUCCESS

### Headline Photos

John Santos-Silva plans his next move "Just Friends" indeed; Student Council President, Sara Murphy puts on the final touches; Mrs. Voyer welcomes everyone keeping her cool hoping all will go well; and Jen Henzie prepares to let the genie out of the bottle.

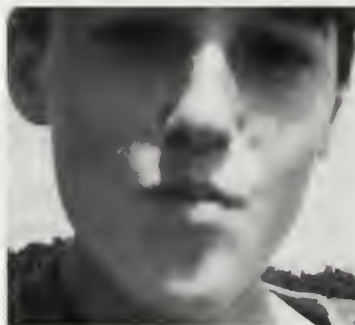

### Let It Rip!

Zack Rooney and Phil Fraser add just a touch to their look. Judges, Mrs. Dinizio and Mr. Francis, have a few minor differences of opinion. Ms. Dunn makes a surprise appearance bringing many of us to near tears. Totally into it were sweet things Sarah Chase, Christina Nikolaidis, Whitney O'Leary, A.J. Almeida and Dana Silva. Doing a great job as MC was Bourne's own Matt Colon. And, two wild and crazy guys, Geoff Parsons and Adam Schwartz.

# Concert & Marching Band

## Color Guard

The Bourne High School Band and Color Guard take part in local as well as regional events such as: pep rallies, football games, parades, exhibitions, and festivals. They also take part in Umass Band Day each fall. This is a unique event where high school bands from around New England come together to make one loud and intense half-time show. Also, the Concert Band performs at the Statehouse annually, which is truly an honor. This season, the band was led by Drum Major Erin Collamore, Assistant Drum Major Stefanie Garcia, Color Guard Captain Amanda Marceline, and Band Director Ms. Bearse, who oversees all of the band and color guard events.

### The sound of music. . .

With Mr. McNea overseeing their activities, the club members apply their Spanish-speaking skills outside the classroom. Students also participate in journalism. Once every month an edition of the BHS Dispatch is issued in the Bourne Enterprise. The Dispatch contains articles written by BHS students. Math Team members refine their math skills after school with Mr. Stella, in order to compete against other schools' math teams. We also have a chess club that meets once a week in Mr. Thomas's room to challenge each other at a game of chess.

## Community Outreach

SADD and Peer Leadership, Renaissance Club, Free Tibet, and Students and Veterans are clubs that offer their services to the community. SADD and Peer Leadership have merged this year. To bring awareness to their cause, they sponsored Bourne High's first Mock New Year's Dance. The Renaissance Club, overseen by Mrs. Parker, recognizes academic achievement, ushers at school plays, volunteers at the food party, and sponsors other activities to make our school better. Free Tibet is a group devoted to making people aware of the oppression in the Far East. This spring, Ms. Dunn started the Students for Veterans Club. The club members learn valuable lessons from veterans and in return, the veterans get to spend time with the younger generation.

Erin,

*Climb High  
Climb for  
Your Goal  
The Sky,  
Your Aim  
The Moon  
And the Stars...*

It is so hard to believe that our little girl is about to graduate. Time has passed by much too quickly.

You have held to your beliefs and ideals in a world of tremendous pressures. While the crowds moved like sheep, you followed your heart. You are your own person.

You always had our complete and unwavering trust. For earning that trust we are sincerely grateful.

We are so very proud of you and all that you have accomplished. From flag carrier in the High School Band while in your middle school years to Drum Major of the High School Band this year, you set a goal and reached it. You have loftier goals for the future, and we know you will reach them.

Just remember, Erin, we will be here for you always.

Love,

Mom, Dad, Jason, and Justin

CONGRATULATIONS LINDS!

Wes

# GREATEST LOVE OF ALL

I believe that children are our future  
Teach them well and let them lead the way  
Show them all the beauty they possess inside  
Give them a sense of pride to make it easier  
Let the children's laughter remind us how we used to be

Everybody's searching for a hero  
People need someone to look up to  
I never found anyone who fulfilled my need  
A lonely place to be and so I learned to depend on me

I decided long ago never to walk in anyone's shadow  
If I fail, if I succeed at least I'll live as I believe  
No matter what they take from me, they can't take away my dignity  
Because the greatest love of all is happening to me  
I found the greatest love of all inside of me  
The greatest love of all is easy to achieve

**Learning to love yourself, it is the greatest love of all**

Leads you to a lonely place, find your strength in love
